

WORK FROM HOME WITH WIPRO FURNITURE

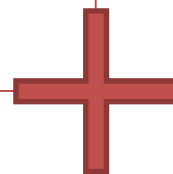

A top-down view of a person's hands working at a wooden desk. The person is wearing a black watch and holding a blue pen over a white notebook. To the right is a silver laptop with a black keyboard. Above the notebook is a dark-colored cup. To the left is a white plate with a piece of bread. In the bottom left corner, there are several small, colorful cards or photos scattered on the desk. The background is a dark, textured surface.

The current global trend has rapidly put in place the new way of working from home. The new normal is seeing more and more companies adapt this policy for the employees, yet ensuring their wellbeing by providing correct working conditions.
